

SHARAZAD

WONDERS

Sharazād Wonders Boutique Hotel has been open since September 2022 and is located right in the historical center of Stone Town City of Zanzibar. With this new addition to our Sharazād Boutique Hotels Group family, we can now offer our guests a beautiful courtyard historical building, hidden in the center of the antique Stone Town. At Sharazād Town Restaurant “The Door,” we embrace this historical footprint in Zanzibar’s kitchen and combine it with talent, creativity, and passion. It should come as no surprise that Zanzibar cuisine offers a bewildering array of aromas, flavors, and textures. The final touch to your culinary experience is added by the origins of the owner Francesca Scalfari’s with Puglia & Calabrian roots & heritage. Discover with us the 1001 nights' experience with a mix of Asian, African, and Arabic culture & history with the great Italian hospitality style. The restaurant and cafe are open to external guests daily.
